Dear Walter:

Please accept my thanks and appreciation for the opportunity to serve you and the City in a most interesting and professionally challenging position. I especially want to thank you for your support on many occasions when it was not easy to give. Cambridge is the most interesting and caring City I know of anywhere, and a big part of the credit for that goes to you as a leader over many, many years. Through you, I would also like to express my thanks to the City Council, as well.

Best wishes
and thanks again,

Oliver S. Brown
Deputy Superintendent
