Cambridge, March 19 1991

To the Honorable, the City Council of the
City of Cambridge:

The undersigned respectfully pray

For permission to operate a Pushcart program outside the CambridgeSide Galleria at the north entrance facing the canal. The exact location will be on the upper sidewalk adjacent to the building.

CambridgeSide Galleria Management has discussed the exact locations with Deputy Fire Chief Cantwell regarding truck clearance, etc. He has approved eight locations maintaining a fourteen foot clearance for fire vehicles.

CambridgeSide Galleria will own these carts and license vendors to operate for retail purposes. A typical license agreement will be for a two week period. Renewal of agreement will be made by mall management based upon vendors success.

Your consideration in this matter is appreciated.

Sincerely,

Steve Sigel
General Manager
