Deputy City Clerk

Dear Mr. Flynn:

This responds to your March 4 letter forwarding a resolution from the City Council of Cambridge. The resolution recognizes the contributions of the Cambridge postmaster and staff in improving mail service to the community.

As a service organization, we are especially pleased when the performance of our employees stands out in a manner that prompts written comment. This resolution goes beyond that, and I thank you for this thoughtful and most appreciated action. I am proud and happy to share this resolution with Cambridge postal employees.

I have also forwarded a copy of the resolution to our Boston District officials, who have administrative jurisdiction over the Cambridge area. They will also be pleased to know that the performance of their employees has earned such special recognition.

I appreciate you taking the time to bring your favorable comments to my attention.

Best regards,

A handwritten signature in cursive script that reads "Marvin Runyon".
