Dear Commissioner:

Earlier this evening, after hearing a variety of testimony from parties involved with 104-106 Harvey Street, the Board of Zoning Appeals appropriately voted 4-0 to uphold the appellants' challenge of the building permit for that site. In effect, the BZA declared the building permit invalid.

As one of the appellants and at the request of other appellants, including abutter Ms. Lisa Gould, I ask that you:

- Immediately institute whatever action is necessary to have this illegal building removed from the lot, and,
- Immediately institute the appropriate action to have all construction, site preparation and other related activities at this site immediately stop.

Should you have any questions regarding these requests, please feel free to call me.

Sincerely,

cc: City Council
City Manager
