December 9, 1991

To The Honorable, The City Council:

As you know, a team of representatives from Cambridge has been meeting with representatives of the Commonwealth to explore possibilities for settlement of the City's lawsuit against Scheme Z. The members of the City's negotiating team have advised me that it would be helpful to them if they could make a presentation to the City Council at the regular meeting scheduled for December 9, 1991.

Due to this matter being the subject of current litigation, I recommend that the City Council consider voting to go into executive session to hear the presentation.

Very truly yours,
