To the Honorable, the City Council:

Following the direction indicated by City Council Sub-Committee regarding cablecasting of Council Meetings, preparations are now in order for an initial live transmission of the March 30th meeting.

The remaining Council Meetings (March 16th and 23rd) as well as the March 2nd and 9th meetings will be available for Councillors to view in the Council Office on Wednesdays and Thursdays. Ned Casey of the Cable Office will also be available to answer any questions.

The Agenda for the Meeting of March 30th will be inserted into the Municipal Bulletin Board Information on the City's Cable Channel (Channel 8) on Friday night, March 27th. The Agenda will run continuously over the weekend and up until the beginning of the meeting allowing ample opportunity for residents to examine the issues before the Council.

Very truly yours,

Robert W. Healy
