Dear Sir/Madam:

I would like to draw your attention to the increased traffic on Hancock and Centre St..
Many truck drivers use Hancock St. as a shortcut between Massachusetts Ave. and
Broadway.

Since there is a newly opened playground for small children I fear that an accident is only
waiting to happen. I suggest that signs to alert all drivers to the playground be put up, and
that signs be put up forbidding the passage of trucks on Centre and Hancock St..

These changes would make the area more safe for children, and increase the quality of life
in the neighbourhood.

Thank you for your attention to this matter.

Sincerely

Dr. Gerburg Wulf
