Cambridge City Council
795 Massachusetts Avenue
Cambridge MA 02139

Dear City Councilors:

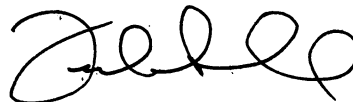

Please give vigorous support to the plan for bike lanes east of Lafayette Square.

Automobile congestion and pollution detract significantly from the Cambridge economy and quality of life. Encouragement of bicycle use will make Cambridge a safer, more healthful, and more attractive place to live, work, and shop.

We have a long way to go to make Cambridge a bicycle-friendly city. This proposal is an excellent beginning.

Please pass this letter on to each city councilor.

Sincerely,

Fred Small
