To The Honorable, The City Council:

In response to Awaiting Report Item No. 21, regarding a report on the condition of the escalators at the Porter Square T Station, Traffic, Parking & Transportation Director Susan Clippinger reports the following:

The MBTA has been rebuilding the escalators in the Porter Square station. The last one, which runs between the street and the mezzanine or lobby area, was completed on September 23rd. There was an additional incident of vandalism where damage was done to the handrail which has also been repaired. All escalators at this Station are now operating.

Very truly yours,
