To the Honorable the Mayor and Aldermen of
the City of Cambridge

The undersigned Wendell Bent
respectfully represents that he presented
a petition requesting permission to
have the shop at the corner of Court
and Main Streets remain in its
present position and whereas he
has since found upon examination
that said building does not encroach
upon any portion of said Court
Street if the boundaries shall be
properly ascertained of said
street now your petition respectfully
asks that the bounds of
said Court Street be so designated
as claimed by the City of Cam-
bridge that your petition may
be enabled to ascertain whether
said building in any way encroaches
upon said street although the abutments
may be protected in their rights
along said street
