Dear Sir:

In regard to your communication of December 5, 1978 relative to Item # 12 on the Agenda Awaiting Report relative to Patrol Officers assigned to the Portland-Berkshire Street area during the evening hours, this report has been put together, was to be hand-delivered to Councillor Frisoli but inadvertently he left without attaining the same from this Officer. After I had spoken to him at the Swearing-In Ceremonies of the new Officers a week ago this Friday which I related to him it was not my intention to release this information at an open Council Hearing due to the fact that I felt the integrity and the security of the neighborhood of which he is making reference would not best be served by releasing this information and, as such, he concurred and agreed with me. I went to your Office and I made a request that this be removed from the Agenda as I believe that we had satisfied the request of Councillor Frisoli and, as such, I believe it can be removed at this time.

I remain,

Leo F. Davenport
