PLAN TO ATTEND CAC MEETING ON ZONING

WEDNESDAY EVENING AT 7:30 P.M. IN CITY HALL

An open meeting will be sponsored by the Cambridge Advisory Committee to discuss zoning and development in this city next Wednesday evening at 7:30 in City Hall. While the spotlight of late has been placed upon proposed developments in the Harvard Square-Kennedy Library area, it is generally believed that citizens should be provided a forum where zoning matters relating to all areas of the city may be explored.

Mayor Barbara Ackermann, City Manager John H. Corcoran and Robert A. Bowyer, Director of the Department of Planning and Development have been invited to lead the discussion next Wednesday evening at 7:30 o'clock in City Hall.

Since it is almost certain that there would not be enough time to discuss adequately at this same meeting plans for the Kendall Square renewal project, a second open meeting is scheduled for Wednesday evening, November 29, in City Hall at 7:30 o'clock.

Thomas J. Murphy, Chairman, and Robert F. Rowland, Executive Director of the Redevelopment Authority have been invited to discuss prospects and plans for Kendall Square at this second meeting.
