#14

H. Davis

Whereas the renovation of the main library in Mid-Cambridge raises questions about the future direction of the entire library system

And whereas adults and children in all neighborhoods of the city use the library to further their education, to build links to their careers and employment, as well as to enjoy the pleasures of reading and music

Ordered: that the City Manager is hereby requested to coordinate with the Library Director and Library Board of Trustees to present to the City Council a process by which a City Wide Advisory Committee, broadly represented of residents, will produce a City Wide library system plan that includes financial projections

Further that such process include public hearings advertised to all Cambridge residents

Further that the City Manager is requested to recommend funding, if necessary, for planning support for this committee

That the City Manager report back to the City Council with a timeline for a preliminary report from this committee; that such timeline reflect the need of the Council to know the future of the library system prior to voting on a bond issue for Mid Cambridge library renovation.

#15

That the City Council contact the Massachusetts Congressional delegation to voice its support for the continued funding for ISTEA, the Intermodal Surface Transportation Efficiency Act

Further that the Act has important consequences for local transportation projects

Also that it supports mass transit, an essential public service in our community whose primary objective is to provide mobility for all people, including the disabled, elderly and economically disadvantaged.
