Referred to Rent Control Committee

76 Police officer ^{of} 27,000 married & has
2 chil. after taxes & pension & college
for his 2 kids what does he have
left? Protection for those

people who are just getting by
people who are working providing
neces services has now got to
be included in the calculation
of what Rent Control protects.
So figures have to be developed
in relation to the following range
of people = The very poor

to those ~~the~~ people who are providing
necessary service & just getting by
financially = Nurses & Teacher, etc

Dave Sullivan

Why is it unfair to ask
people who want to be
under rent control to submit
their tax form?

Please answer!

Based on concerns of the range
of people
who are under rent control
What is the financial figure
that should not be
allowed under rent control?
