

CITY OF CAMBRIDGE
INTEROFFICE CORRESPONDENCE

To Mr. Paul E. Healy, Act. City Clerk

Date

From Mr. George Teso, Traffic Director

Reference

Subject

Dear Mr. Healy:

I have completed a study of the intersection of Washington Street and Pine Street, and have taken the necessary steps to make this area safer for pedestrians.

The steps that were taken were the placing of Warning signs in strategic areas approaching this intersection warning motorists that there are children in the area, and that there is a school crosswalk and an intersection ahead.

The Traffic Department has met with the police department on enforcing the laws in this area; and we will continue to check this area.

Very truly yours,

George Teso
Traffic Director
