

—CITY OF CAMBRIDGE.—

In Common Council, March 2. 1887.

Ordered,

The Joint Standing Committee on Roads,
and Bridges would herewith
Report,

That inasmuch as
the sum of Five Hundred Dollars, heretofore autho-
rized to be expended by the Committee, for the
purchase of a pair of horses, has proved insufficient
for the purpose, your Committee recommends the
adoption of accompanying order authorizing the
expenditure of an additional sum of One Hundred
Dollars, therefore,

For the Committee.
