

To the Honorable the Council of the  
City of Cambridge:

The undersigned having been notified  
to set back the fence of his land on River  
Street, to the end that the same may not  
be moved by the City, but not acknowledging  
that he has encroached at all upon the  
street, and not waiving any right which he  
has acquired and now has, removes his  
fence to the line indicated by the city Engineer,  
and hereby gives notice that he does so  
under protest and with the intention of  
claiming damages for the land so taken  
for public use.
