I, \_\_\_\_\_, understand that by accepting appointment at this time to the Police Department of the City of Cambridge that no representations have been made to me by the City of Cambridge, or anyone on its behalf, as to the validity of said appointment. It has been explained to me that there is litigation pending in various State and Federal Courts relating to residential preference in appointments as opposed to preference for certain minorities. It is my understanding that the outcome of these cases may affect the validity of my appointment. I am willing to accept appointment under these circumstances.

City Manager

To the Honorable, the City Council:

Please be advised that I have today appointed and submitted to Civil Service for their approval the names of thirty-six (36) individuals as patrolmen in the City of Cambridge. Enclosed please find the list of names that we were able to appoint within the guidelines of Civil Service. Also enclosed is a form that we had each individual sign to protect the City with regard to the pending litigation.

Since it is vital to employ these individuals in order to increase police protection, it is my feeling that this is an equitable resolution to what has been a controversial issue.

Very truly yours,

James L. Sullivan  
City Manager
