Honorable Ms. Graham:

We are in receipt of the request of the City Council to have a representative of Cambridge Electric Light Company who is knowledgeable relative to rates, charges and services attend a future City Council meeting to discuss the subjects of the order perhaps on November 21st or 28th.

Because the subject matter covers a fairly wide range of information, I tried to reach you for more specifics in order to obtain the most qualified person to appear before the Council.

Please contact me at 864-3100, Ext. 243.

Sincerely,

Joseph H. Smith
