Dear Ms. Clippinger:

As Chair of the Cambridge Bicycle Committee, I wanted to write a short note to you expressing our great appreciation for the dedicated work and cooperation that Jane Kent of your staff has provided to the committee since its inception. Her contributions have far exceeded her job description; the countless hours she has spent working with our main committee and subcommittees have lent an invaluable perspective and assistance to our efforts. Because of her, Cambridge is a safer and more convenient city, for bicyclists and for the other members of our community alike.

We are truly fortunate to be part of a city that supports the efforts of citizen advisory groups such as our committee with staff as talented, committed, and patient as Ms. Kent.

Sincerely,

Michael Halle
Chair, Cambridge Bicycle Committee
