

RINDGE TECHNICAL SCHOOL

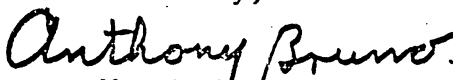

Broadway at Irving Street, Cambridge, Mass. 02138

To professionals concerned with the legal education of our youth:

The 1970's have witnessed students of the City of Cambridge High Schools participating in Legal Seminars through their new Teens and the Law Government Laboratory program. This program was instituted to help high school students gain a better understanding of our American system of law and justice. These Seminars have been making an important contribution to this program.

Rindge Technical School has scheduled another Seminar for Thursday, May 8, 1975, in conjunction with Law Day, U.S.A. from 9 A.M. to 12 noon. The Seminar will be held at Rindge, in Room 123. We take this opportunity to extend you the invitation to attend and be one of our members. Students from the law classes at Cambridge High and Latin and Rindge Tech will question the professionals present about the law and their roles in today's system of justice. These Seminars in the past have proved valuable and interesting for both the panelists and the students and we would greatly appreciate your attendance and participation. We realize that your busy schedule may prevent your participation, but we would be extremely grateful for any time\* you could donate. If you are interested in participating, please notify Mr. Anthony Bruno, Room 123, Rindge Technical School, Cambridge, 02138. Thank you for your interest and support in the education of our youth.

Sincerely,

Mr. Anthony L. Bruno  
Room 123, Rindge Technical School  
492-8000 Ext. 159

\*Please indicate on the enclosed post card the approximate time you might participate, e.g., 9:15 to 9:45, etc., and your specialty. Thank you.
