City Clerk
Cambridge City Council
City Hall
Cambridge, MA 02139

Dear Ms. Drury:

I have received with much pleasure the resolution introduced by Councillor Sullivan and supported by Councillor Born, Councillor Braude, Councillor Davis, Councillor Decker, Vice Mayor Maher, and Councillor Reeves, telling of their best wishes for my recovery. I could not have a better compliment, coming as it does from the most intelligently governed city in what the informed call The Great Republic. The pleasure is also unique in my life; this is the first assemblage of high political talent that has given me their approval without dissent -- without what, on occasion, might have been called vigorous dissent. Great age, though I do not find it entirely appealing, has obvious rewards. Again, my thanks to this generous assemblage.

Yours gratefully,
