

To the Honorable ~~Members~~
~~and Board of Aldermen~~
 of Cambridge City Council

Respected Sir,
 We the undersigned respectfully petition your honorable body to remove a pump located at junction of Cambridge and Champlain Streets and in accordance with your judgment and approval to transfer it to opposite side of square. The pump as it is now situated is almost directly upon flag-walk and is an unsufferable nuisance; for the children when using it keep the flagging and sidewalk in a condition of perpetual mud. It thus is the waiting corner for cars and the sidewalk at this special point is constantly traversed by numbers of people, we the inconvenienced people assume the privilege of petitioning for the above removal. Respectfully submitted:-
