Hon. J. Edward Barry,
Mayor,
City Hall,
Cambridge, Mass.

Dear Mr. Mayor:

Some time ago I mentioned to you the fact that I had considered resigning from the Cambridge Industrial Development Commission to which position I had the honor to be appointed by you. I find now that this step is necessary and hereby tender my resignation to take effect when you have appointed my successor.

Fully appreciating your confidence in me in appointing me to this position, and regretting that I feel obliged to take this step, I remain,

Sincerely yours,

A. R. Henderson
