IN CITY COUNCIL

Councillor William H. Walsh

June 19, 1989

WHEREAS: The Area IV Crime Task Force has begun a titanic effort to confront and control the crisis of drug-related crime in that sector of Cambridge, and, though determined to do what must be done and willing to put its collective shoulder to the wheel to bring about change in that neighborhood, it is clear that these good people feel that they are screaming in a wind tunnel to no avail and that they are being given a deaf ear by those in city government who have the authority and power to provide the difference in their lives which they need and deserve; now therefore be it

ORDERED: That the City Manager invite the appropriate spokespersons of the Area IV Crime Task Force to come before this Council on June 26, 1989 to give the Council guidance as to their perceived needs and demands in order that we will respond appropriately and with effectiveness to these demands and thereby let them know that, by no means, are they the forgotten people of Cambridge.
