Dear Ms. ~~Russell~~ *Sheila*:

We have some great news to share . . . enclosed is our 1997 Annual Report, and it tells a notable story about our YMCA!

The good news is that we ended our fiscal year with a balanced budget – a wonderful attestation to the efforts of a determined staff and board of trustees, and, of course, the confidence of our supporters. A signature of rededication, the report reflects a commitment to taking our Y to the next level; a resolution to sustain financial stability. This, coupled with programmatic innovation, makes for a stronger and more credible community presence so critical to any organization, let alone one with 115 years of life in Cambridge.

We send this along to you because we know you care. We know that you have an interest in the work of our Y, and the impact it has in the lives of our constituents. We thank you for your support in our mission of building strong kids, strong families, and a strong community.

Sincerely,
