Dear City Council & Traffic Dept.,

I am writing with regard to the parking situation in Inman Sq. I reside at 29 Oakland St. in Cambridge, as you are aware Oakland St. is a dead-end street with several multi-family homes. Due to the amount of people with cars, parking is sometimes next to impossible.

Residents of Cambridge are allowed to park their cars on Cambridge street, but must move them by 8 AM except Sundays. I would like to know if there is any way possible the Camb. Traffic Dept. could change the time to 9 A.M. instead of 8 A.M., except the loading zones. Most residents have to be in work at 9 A.M., usually, and it would be nice for myself and others not to have to drive around and around to make and find parking. In most cases people do not leave until very close to 9 A.M., leaving others no time to get ready and into work by 9 A.M. Thank you for taking the time to read this and hopefully you can change this situation.

Sincerely,
Kelli Simmons
