PUBLIC MEETING ON DEVELOPMENT OF THE CAMBRIDGE DUMP SITE

Date: June 12, 1986
Time: 7 P.M.
Location: Tobin School

Dear Cambridge Resident:

You are invited to attend a public meeting on Thursday, June 12th at 7 p.m. at the Tobin School to discuss the preliminary plans for the development of the former dump site as an athletic/recreational facility. At this initial meeting, representatives from the environmental engineering and planning firm of Camp Dresser & McKee as well as the landscape architects, Moriece & Gary, will make a brief presentation of their preliminary concept plan for the New Street Park and will outline a proposed schedule for site improvements.

At this point, the consultants' plan is a preliminary one subject to community input and the constraints imposed by the site conditions. The consultants have agreed to schedule a series of meetings throughout the planning process to provide periodic updates and solicit community input regarding the site's development. I urge you to attend this initial information session.

Very truly yours,

Richard C. Rossi
Deputy City Manager

To the Honorable, the City Council:

Attached please find a copy of a notice for a public meeting to be held on June 12th at the Tobin School to discuss the development of the former dump site. This notice has been sent to neighborhood residents and community groups as the meeting will provide an opportunity to solicit community input and outline the consultants' preliminary plans for the site. Periodic public meetings will be held by the consultants throughout the planning process.

Very truly yours,

A handwritten signature in dark ink, appearing to read "Robert W. Healy", is written over the typed name.

Robert W. Healy
City Manager

Re: enclosed notice of a public meeting to be held on June 12, 1986 at the Tobin School at 7:00 p.m. to discuss the development of the former dump site.

In City Council,
