Dear Councillors;

We request to appear before you on Monday, March 24, 1986 for 10 minutes to inform you of the harmful effects of a proposed development of eleven luxury townhouses on Lopez Street.

Lopez Street is a severely congested Street right now. The proposed development would aggravate the situation. It would wipe out seven curbside parking spaces, while only providing one off-street parking space for each townhouse. A building permit has been issued and, in spite of a stop work order, the developer has stated at a public meeting on Thursday, March 19th that he intends to begin foundation work next week.

Sincerely,

Lopez Street Residents
and
other Cambridgeport residents

James Gleich	Bill Cavallini
