CAMBRIDGE MA.

The Honorable City Council
City of Cambridge
City Hall
Cambridge, MA 02139

c/o City Clerk Joseph Connarton

Dear City Councillors:

The Bellis Circle Neighborhood Association strongly supports the approval of the proposed four million dollar bond issue to finance the completion of the Thomas W. Danahy Park on New Street. This long awaited project will be an outstanding addition to the City's recreational and open space needs. It adds, we're told, nearly a third more park space to the City's existing supply.

As a neighborhood association we have been closely involved in the planning and construction of this Park. We recognize the exceptional contributions by the MBTA, the Department of Environmental Quality Engineering, the Urban Self Help program, as well as those of the citizens and leaders of Cambridge. Now is the time to fulfill this goal. We urge each of you to give this proposal your full support.

Thank you for your consideration.

Sincerely yours,

Stephen L. P. Danahy
