Hon Paul E Healey
City Clerk

Cambridge City Hall.
Massachusetts Ave
Cambridge Mass 02189

Dear Paul

Just a few lines

to thank both you and Joe for everything
you and all the boys and girls at the
hall for all the kindness you have shown
me this past year

This year has been the
happiest year of my life

As you probably have
noted I am not much for words.

So if I didn't say much at the reception
on I was so overwhelmed with Emotion

that I felt if I made any mistake
+ if I would not know and I wouldn't
want that

Feel thank you again for everything
May God bless you and please
relate my feeling to the City Council

Sincerely
Theresa Green
