To The Honorable, The City Council:

Attached is an order requesting the appropriation of \$22,000.00 in patient receipts to the Neville Manor Other Ordinary Maintenance Account to provide for a multicultural organizational development program at the Neville Manor. This program will address problems such as disagreements among employees, difficulties of employees adjusting to the needs of the jobs and the sensitivities of patients, and the occasional lack of understanding between middle management and the diverse cultures of the employees.

The Center for Organizational and Community Development in the School of Education at the University of Massachusetts at Amherst has been selected to implement this program.

Very truly yours,

Robert W. Healy
