

LINCOLN WAY TENANTS' COUNCIL

Walden Street

Cambridge, Massachusetts 02140

January 30, 1976

To Thom St. May Concern,

I am speaking for The Tenants of The Lincoln Way Housing Project, to bring to your attention, that Officer Peter De Luca has been doing an outstanding job on his patrol at The Lincoln Way Housing Project. When this man is on duty, he is the only one that gets out of his car and walks the project. With him around us, we feel very safe because we know if a problem occurs, he is right near us. As for as what ever has happened in the past, I hope you make sure you put on his record that we are very proud to have Officer Peter De Luca patrolling our area.

Sincerely
Mrs. Ursilla Devereaux
Secretary
