Gentlemen:

As Associate Commissioner in charge of the Waterways Division of the Department of Public Works, I wish to emphasize to the cities and towns of the Commonwealth, the importance of our Annual Rivers and Harbors Hearing, which will be held this year on April 25th, at 10:30 a.m. at 100 Nashua Street, Boston.

All projects previously petitioned for should be resubmitted for consideration; otherwise, it will be assumed that the municipality no longer has an interest in the project.

Please make every effort to attend this hearing, especially if you have any questions relative to the project requests.

Very truly yours,
