To the Honorable, the City Council:

Louis Nichinello, President of Ackerly Communications of Massachusetts, has requested that I provide him the opportunity to address the City Council regarding the myriad of issues surrounding billboards.

His intent is to provide a proposal for the City to work with the Company in a planning process to respond to concerns about existing billboards, while maintaining the Company's position that any banning of existing boards would be equivalent to a taking.

I recommend that the Council allow Mr. Nichinello to address the City Council at this time.

Very truly yours,

Robert W. Healy
