PROFESSIONAL:

1980-present:

Senior Associate: New England Environmental Mediation Center, Boston
Ford Foundation supported mediator for disputes involving environmental issues. The Center's purpose has been to increase use and improve quality of negotiations among disputing parties. To that end, worked with the Massachusetts Superior Court, and with public and private parties throughout New England to resolve disputes involving land use and zoning questions, toxic materials spills, harbor dredging, coastal and property rights. Maintained a full-time position while attending the evening program at Suffolk Law School.

1977-1980

Associate: Clark-McGlennon Associates, Boston
Managed development of environmental mediation practice area. Beginning in the Fall, 1978, maintained a full-time position while attending the evening program at Suffolk Law School.

1975-1977:

Consultant: Temple Barker & Sloane, Wellesley, Mass.
As a member of the Energy & Environment Group worked primarily on federally-funded research and analysis of water supply systems with special attention to legal and institutional questions.

1974-1975:

Senior Analyst: Contract Research Corporation, Belmont, Mass.

1969-1974:

Analyst: Applied Decision Systems (later acquired by Temple Barker & Sloane)

**OTHER
PROFESSIONAL
ASSOCIATIONS:**

Adjunct Lecturer, City and Regional Planning Program. Kennedy School of Government, Harvard University
Spring Terms: 1980, 1981, 1982

**OTHER
SKILLS:**

Moderate fluency in Spanish and French

PERSONAL: Raised in Latin America and Washington, D.C.
