

widening of the roadway by removing the
Southernly railway track to the Northernly side,
and the repaving the causeway with the
Nicholson pavement. After the hearing
was closed, your Committee carefully consid-
ered the various propositions and suggestions
of the petitioners and were of the unanimous
opinion that no changes other than those
recommended in the report of Feb. 17th 1869,
should be made at the present time, and
they would reiterate that part of said report
relating to this subject.

For the Committee.
