City Clerk
Cambridge City Hall
Cambridge, Massachusetts

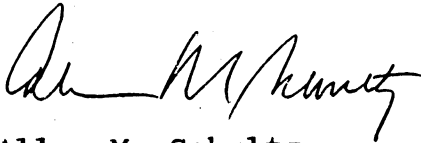

Gentlemen:

I have received the proposed rezoning plan and alternatives for the Brookline St. area from Putnam Avenue to Franklin St.

I own lots at 176 and 180 Franklin Street. One lot is in a C-2 zone and the other lot is in a B-A zone. The Original Petition and Alternative 1 will change both to a C-1 zone. Alternative 2 will change the lot in C-2 to a C-1 zone.

I am opposed to all plans since they will decrease the value of my property.

Very truly yours,

Allen M. Schultz
