Deputy City Manager

March 15, 1999

To The Honorable, The City Council:

I am hereby requesting the appropriation of \$70,000 to the General Fund Traffic, Parking & Transportation Other Ordinary Maintenance Account to provide funds to perform vehicle and truck traffic cordon counts at thirty-one additional locations. The count locations will be done in Harvard and Central Squares as well as other key areas of the City and will be done during the month of May. This supplemental cordon information will enhance the level of detail the Department has about vehicle and truck traffic volumes in the City. The funds will also be used to analyze the information and to prepare materials for presentation to the City Council, residents and other interested groups.

The funds to support this appropriation will come from additional parking fund revenue.

Very truly yours,

Robert W. Healy
City Manager
