City Hall

Cambridge, MA 02139

Dear Mayor Duehay:

I am pleased to send you this copy of the State Election Calendar and I hope that you will find it useful.

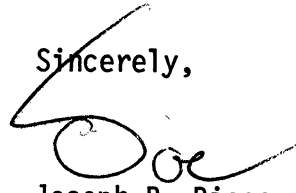

The calendar covers the remaining months of 1985 and all of 1986, highlighting dates that are important to the proper conduct of elections for candidates, voters and city officials.

As you know, a law that advances the date for submitting local redistricting plans to this office from July 1 to September 30, 1985, was signed into law recently. That legislation followed the printing of this calendar, requiring a correction. Your addition of the new date is appreciated.

May I advise you also that the State Legislature is expected to review proposals in the near future that may change dates that affect the deadlines that must be met by candidates and election officials during the course of district and state-wide elections. Alertness to the inevitable changes in some of these dates is recommended.

If you would like any more information or clarification of the election laws, please do not hesitate to contact my office for assistance.

Sincerely,

Joseph R. Ricca
Deputy Secretary of State
