

Cambridge, Sept. 27, 1883.
To the Hon. Mayor and Aldermen
of the City of Cambridge.

The
Subscribers respectfully represent,
that that part of Central Square
on the South Easterly line of Western
Avenue requires change of grade,
as much inconvenience arises from
its being so low; and should it
be found on examination to require
re-grading, they request that the
part making the road-bed on
said line may be paved with
Stone Blocks.
