Dear Councillors:

Many thanks for your kind words of support and the Cambridge City Council resolution.

I am very excited to have the opportunity to serve the people of the Commonwealth in my new role as Governor, and I look forward to the challenges that lie ahead. Together, we have made great strides in education, crime, and welfare, and restored economic stability to Massachusetts. I am anxious to work with you and the many other public servants who serve the Commonwealth to continue to make Massachusetts a better place to live, work, raise a family, and do business.

Again, I appreciate your enthusiasm and encouragement.

Sincerely,
