To the Honorable, the City Council:

With respect to Awaiting Report Item No. 41 regarding Saville and Van Norden Streets, the Public Works Department has made a quick review of these streets. Saville Street will need new or reset curbs, sidewalk and street paving, while Van Norden Street will need concrete streets. Although these are not on the current list for work, they will be more carefully reviewed for possible inclusion in next year's recommendations.

Very truly yours,

Robert W. Healy
