CITY OF CAMBRIDGE

City Engineer's Office.

CAMBRIDGE, *July 1st* 1873

To Hon. Estes Howe

Pres. of the East Camb. Land Co.

Dear Sir,

On the 21st of Nov 1872 the Committee on Roads and Bridges on the part of the Board of Aldermen "recommended that whenever the East Cambridge Land Company will construct a good and substantial Draw Bridge, over Broad Canal, forty four feet wide, with a clear draw passage of thirty two feet in width, built to the satisfaction of the City Engineer, the City accept and take charge of the same"; and the recommendation was "accepted".

In reply to your request made some weeks since, I report that said "Draw Bridge" is now completed in full compliance with the tenor of said report and to my satisfaction.

Respectfully Yours

J. C. Chase
City Engineer

Cambridge July 2. '73

The undersigned on behalf
of the East Cambridge Land
Company respectfully gives
notice that the drawbridge
over the canal at Sixth

Whereas, in the opinion of the Board, the public safety and convenience require that a Street should be laid out fifty feet in width from Broadway over Cross Canal to Broad Canal, and thence across Broad Canal to Potter street, so called. It is therefore hereby

ORDERED, That due notice be given to the owners of the land over which it is proposed to lay out said street, and all other persons interested, that the Board intends to lay out the Street before mentioned, by taking a portion of their land, and laying out the same as a public street; and that

WEDNESDAY,
the 10th day of July next, at 8 1-2
o'clock, P. M.

is assigned as the time for hearing any objection which may be made thereto.
