To the Honorable, the City Council:

With reference to order of your Honorable Body relative to the Civil Defense activity, please be advised that I met Friday morning, October 26, 1973, with Mr. Louis F. Saba, Director of Civil Defense for the Commonwealth, at which time the matter of the Civil Defense program here in Cambridge was discussed at some length.

I will be meeting next with Mr. Saba within the next two to three weeks at which time I will present for his review a recommended process for the City of Cambridge.

It is my belief from the discussion on Friday that the City will continue to enjoy the benefits of this program while continuing our round-the-clock municipal services in the many areas to which our citizens have always been accustomed.

Very truly yours,

John H. Corcoran
