Dear City Council:

On behalf of the students of Watertown High School, I am petitioning for permission to hold a bake sale in Harvard Square, on February 5, 1994 between 9:00 am and 4:00 pm, near the T-stop and Out of Town News. We will comply with any health regulations and the students will be supervised by several adults.

A group of twenty five students from Watertown High School are raising money to attend a week-long government studies program in Washington D.C. The program is an opportunity for high school students to meet with members of Congress, lobbyists, diplomats and other government officials. The Close Up Foundation is a twenty year old, non-profit civic education organization which seeks to increase civic involvement through educational programs.

If you have any questions please reach me at school 926-7760 or at home 492-1892.

Thank you,

Heidi Lynch
