To The Honorable, The City Council:

I am hereby requesting the appropriation of \$25,000 to the Grant fund of the Department of Public Works Other Ordinary Maintenance Account from the Massachusetts Department of Environmental Protection. This is the second part of a grant appropriated on September 11, 1995. This technical assistance grant will be utilized by the Recycling division to continue work being done to increase participation in curbside recycling programs in Cambridge, Somerville, Waltham and Malden. Each community will receive the same budget of \$6,250 in order to compare the cost effectiveness of each municipality. Cambridge will act as the lead community and will be responsible for dispersing the funds to the participating communities.

Very truly yours,
