#2

EXECUTIVE DEPARTMENT
ROBERT W. HEALY
City Manager

June 25, 1984

To the Honorable, the City Council:

Attached please find a copy of the disclosure statement for the \$8,925,000 in bonds to be sold on June 28, 1984 to retire notes previously issued to finance the renovation of the Roberts, Webster, and Longfellow schools. This document was prepared by the Budget Office and printed by the Printing Division of General Services. The City has geared many of its efforts in recent years toward upgrading its bond rating to reduce the cost of borrowing.

We are presently awaiting notification from the rating agencies as to the rating which we will receive.

Very truly yours,

Robert W. Healy
City Manager
