To the Honorable, the City Council:

Please be advised that on Thursday, October 26, 1978 at 2:00 P. M. a groundbreaking ceremony for Orion Research's new building of 125,000 square feet on Blackstone Street will be held. This represents a \$5.0 million capital investment and, when fully utilized, will add 250-300 new jobs.

This project is a result of extensive work by the City of Cambridge, culminating in the acquisition of the Riverside Press and the establishment of the Office of Economic Development of the Chamber of Commerce, funded with CETA funds under the auspices of the City Manager's Economic Development Cabinet.

Very truly yours,

James L. Sullivan
