

RECEIVED BY  
OFFICE OF CITY CLERK

Cambridge,

To the Honorable, the City Manager of the  
City of Cambridge:

CAMBRIDGE, MASS.

The undersigned respectfully pray

that the deplorable condition of the ladies room located on the third floor of City Hall be corrected in the following ways:

1. Employees ladies room to be kept separate from public
2. Matron to keep room clean at all times
3. Paint job - new plumbing
4. New lighting
5. Separate room available for those who wish to eat lunch
6. Cot - in case of illness

We recommend that a portion of the room formally occupied by the Planning and Development Department be used for a lounge with a door leading to the present back section of the ladies room. It is also suggested that the sink be removed from its present location to an area in the "lounge" section.

We also want this ladies room and lounge to be kept for personnel only and not to be used by the public.
